

**Sunday, February 24th | 1:00 – 5:00 p.m.**  
**School of St. Mary Cafeteria**

---

**THERE ARE MANY RULES:**

1. The overall length of the car should not exceed 7 inches.
2. The weight of the car cannot exceed 5 ounces.
3. The car must have at least 1- $\frac{3}{4}$  inch clearance between the wheels.
4. The car must have  $\frac{1}{8}$  inches clearance underneath the body so it does not rub on the track.
5. Wheel bearings, washers, bushings are prohibited.
6. The car should not ride on springs.
7. Details such as steering wheel and driver are permissible as long as they do not exceed length, width and weight specifications.
8. The car must be free-wheeling with no starting devices.
9. Additional weight can be added to the car.
10. The wood block may be shaped any way desired.
11. The wheels should not be significantly modified. You may remove the seams and imperfections from the wheels.
12. The axles may be polished.
13. Only dry lubricant is permitted (i.e. powdered granite). Do not use oil of lubricant.
14. Each car will be approved by the inspection committee before it will be allowed to compete. The inspection committee has the responsibility to disqualify those cars that do not meet specifications.

*(Pine blocks were given out to make your car at December meeting.)*
