TO OUR SAINT MARY COMMUNITY

We are in the process of completing our strategic planning process for the Church & School of Saint Mary, which began with the surveys, focus groups, and interviews conducted last fall. Over the past several months, our committees for the parish and school have been meeting to formulate a vision, priorities, and goals. I am immensely grateful to our committee members named below for their dedication, insight, and hard work throughout the strategic planning process. As we prepare to publish our plan later this summer

(and knowing what's in it), I am excited for our next chapter as we implement this vision. However, it would not have been possible without the participation of so many people in our community, not least of whom are the committee members who reviewed the data and spent many hours praying, pondering, and formulating a roadmap to take us where the Lord is calling us. Thank you, and may God bless you!

-- Fr. Stuart Crevcoure
